

## JCR 查詢方式-以 JCR 新平台為例

Step 1：於學校網域登入圖書館→電子資料庫→JCR 新平台

The screenshot shows the National Taiwan Normal University Library website. The header includes the university logo and name, and navigation links for English and mobile versions. The main navigation bar contains categories like 'Library Resources', 'Subject Resources', 'Online Services', 'Online Inquiry', 'Using the Library', and 'Publishing and Article Services'. A search bar is present with a dropdown menu set to 'Collection Search' and a 'Search' button. Below the search bar, there are links for 'Home', 'Library Resources', and 'Electronic Database Overview'. A sidebar on the right offers options for 'Full Text Printing' and 'PDF Version'. The main content area features a 'Electronic Database Overview' section with tabs for 'By Subject', 'By Database', 'Chinese', 'English', 'Trial Databases', and '2015 Database Subscription Information'. There are also buttons for 'Off-campus Connection Instructions', 'CONCERT Database Digital Learning Course', and 'Online Application for Database Password'. A text block explains that users can search individual or multiple database systems, and provides a link to 'Resource Integration Search'. A breadcrumb trail shows 'A > B > C > D > E > G > H > I > J > K > L > M > N > O > P > R > S > T > U > V > W > D > 大 > 流 > 香 > 臺'. A 'Show All' and 'My Collections' link is visible. A table lists database collections with columns for 'Collection Name', 'Database Introduction', 'Connection Method', and 'Download Instructions'. The table entry for 'JCR New Platform (InCites JCR)' includes detailed instructions for off-campus access via proxy or VPN, and mentions the 2016 InCites\_JCR New Platform User Manual PDF.

Step2：登入後會直接進入搜尋的主畫面

The screenshot shows the Journal Citation Reports (JCR) search interface. The header includes 'Journal Citation Reports' and 'Browse journals', along with 'Sign In' and 'Register' buttons. The main content area features a large purple banner with the text 'The world's leading journals and publisher-neutral data'. Below the banner is a search bar with the placeholder text 'Type journal name, ISSN, eISSN, category or a keyword' and a search icon. Below the search bar, there is a section for 'Already have a manuscript?' with a 'Match my manuscript' button. At the bottom, there is a section for 'See full listings and refine your search' with four icons representing 'Browse journals', 'Browse categories', 'Browse publishers', and 'Browse countries'. The 'Browse categories', 'Browse publishers', and 'Browse countries' options are marked as 'COMING SOON'.
